

# Join Us in Support of the EDMONDS-WOODWAY HIGH SCHOOL ATHLETIC BOOSTER CLUB

We would like to extend a personal invitation to every EWHS family to participate in the 2008 – 2009 Edmonds Woodway Athletic Booster Club (EW ABC)

**IMPORTANT: Don't wait for your student's sport season; take full advantage of your membership and voting rights by *JOINING NOW!***

## The EW ABC Needs You!

We are parents, guardians, alumni, coaches, local businesses, Edmonds residents and faculty members who want to work together to support all sports at all levels in various ways. With school district budget cuts, our athletes need our support now more than ever!

## Become a Charter Member Today!

The purpose of the Athletic Booster Club is to support and promote the EWHS community of athletes, coaches, and families. This includes recognizing athletes and the positive influence they have on the community; providing an avenue of communication between sports boosters, administration and the community; and raising funds. This support will be in the form of encouragement, communication, and fundraising for items not provided for by the ASB.
